PRESS RELEASE

WALKER GLASS BOOSTS SALES FORCE

Montreal, September 26, 2008 – Walker Glass Co. Ltd. announces promotions and additions to its sales force in North America.

Rocco Ficara – National Accounts

Ficara has been promoted to oversee major accounts. He has been with Walker Glass since 2004 and was instrumental in the development of the *Walker Textures* brand of acid-etched glass and mirror products.

Mike Bomok – Eastern Canada

Prior to joining Walker Glass, Bomok was the Senior District Sales Manager for Accuride International. He was responsible for training in the field and in new product development for OEM accounts. Bomok brings with him over 30 years of sales and management experience.

Shaun Kennedy – Northeastern USA

Kennedy started his career with Floral Glass Industries in 1980. From there he went on to own and operate his own glass distribution and fabrication business until 1991. He then started his career as a manufacturers' representative. Kennedy has been involved in the glass industry for over 20 years touching various aspects of the architectural and commercial glass industry.

Steve Schuster – Western USA

Schuster began his career in the glass industry as a partner in a glass laminating company which merged into Alpine Windows. He served as president of the Laminators Safety Glass Association (now part of GANA) until 1992. He has been involved in the glass industry for over 35 years.

Ross Christie, V-P Sales & Marketing, says "We are very excited to have the opportunity to work with these professionals and have our customers benefit from their extensive experience. With such a wealth of talent on our sales team we will be able to ensure continued growth and increase our customer support."

Walker Glass Co. Ltd. is a dynamic market-driven enterprise with over 65 years of experience in the glass industry in North America. In 2003, the company launched its full surface acid-etched glass and mirror manufacturing capabilities. It remains the only such plant in North America dedicated to the architectural glass market. Since then the company has added two more product lines, the recent **Walker Textures Select** for custom products and the new patterned acid-etched line called **Walker Textures Nuance**. The full surface acid-etched products are marketed under the **Walker Textures™** brand name. Additional company information can be found at www.walkerglass.com.
